## About Solay Wellness

Isabella Samovsky founded Solay Wellness [www.natural-salt-lamps.com](http://www.natural-salt-lamps.com) when she was just 29-years-old, after falling in love with a salt crystal lamp. Isabella was instantly drawn to the lamps striking beauty and energy, as well as its strong health benefits. After much research, Isabella learned how beneficial natural salt is and about its many uses, as well as how it can be used to help people look and feel better. This prompted her to create Solay Wellness to offer consumers unique wellness lifestyle products, health services, and information.
